21	<p>I would appreciate the program guide being accurate in its description of resident camp. When I went to "Native American Camp" at Camp Timberlane, it was really terrible. It was so bad I wish that I hadn't gone. We did not sleep in a teepee, which the program guide said we would. (lies!) We did not do any really Native aMerican crafts or anything else really that the program guide said we would. The food was really awful, too, and you were not allowed to throw away anything. So, I basically had to eat nothing but... well nothing. Secondly, I almost had an allergic reaction to some kind of sauce and I almost puked, but they made me eat it anyway. Also,they would not let me call home even though I was really, really homesick because of how bad it was. I think if it was really what the program guide said, I would not have been so homesick. The girl counselor was very mean to me. Then I got 21 mosquito bites on my face alone, and they would not let me have any calomine lotion or caladryl, even though my mom signed the permission form. Also I had a major allergy attack because they would not give me my allergy medicine. So that was one terrible experience and needless to say, I will not be going to resident camp for a LONG time, if ever.</p> <p>My other thoughts are that Girl Scouts makes fun stuff really lame. Like archery. Some of my friends went to an archery day camp (which as in the program guide) and they said they only shot 3 arrows after like an hour of safety talk. I agree that safety is really important, but at other camps I have been to, such as YMCA camps, the safety talk is only like fifteen minutes, and then we get to have a lot more time practicing and we get to really learn hands-on about archery. That is just one example of how Girl Scouts makes fun stuff lame.</p> <p>The End.</p>	Oct 26, 2009 8:46 PM

29	Keep Camp Hilaka and Camp Julia Crowell open please!	Oct 28, 2009 8:31 AM
30	I noticed that you mentioned computers and television at camp. I think that this is a really terrible idea--the idea is to camp, if the girls want those things they should get a hotel. However, better phone access in case of emergency would be nice, though most troops bring cell phones anyway,	Oct 28, 2009 7:20 PM
31	When you have a fundraiser please give the girls and us the parents more time to get orders. I like the Ashdon Farms and the cookies the best so far.	Oct 29, 2009 3:14 AM

37	Please keep all of Great Trail open. My troupe loves it and we have alot of good memories from it. We like both sides of camp. Thomas Hall we use if its a overnight. Rankert Ranch we use for big troupe overnights. Those places are our favorite places in Great Trail. One overnights when we left i thought it might be the last time i ever saw Great Trail. I don't know if its true but you the council closed it so i think all of my memories will be gone.So please please keep it open.The other camps are to far from home.	Nov 1, 2009 11:04 PM

69	I usually go sell cookies with my Mom and she and I both agree that it is crazy to have to sell \$2009 dollars worth of cookies to get the 2009 patch! So can you please lower it a few hundred dollars so that some girls will at least have a chance of getting that patch? Some girls have probably already got that patch But, I feel that others should have a wider chance of getting any prize! Thanks, Caitlin	Nov 14, 2009 3:00 PM

I also made something there and it is a memory to me and maybe if it is still there i could show my kids some day. I also would kinda like more land in Ledgewood. Also, more animals at some camps because kids like animals too. Thanks.	Dec 4, 2009 2:04 AM

78	Camp is great! I wish there were toilets so my friends would come and so new younger scouts won't pee in their sleeping bags instead of using the latrines.	Dec 12, 2009 12:31 AM
79	i was very sad to hear that they were going to close Crowell Hilaka. I do not understand why they just did this without any notice to us!!!!...I think If the cost was more equal more troops could go. I think council just wants this camp to go...that is y you charge soooo much for this camp/	Dec 12, 2009 3:41 AM
80	KEEP ALL costs equal now that my leader lets us pick where we want to camp and we have a budget...we founf it costs to much at certain camps. Why is that?	Dec 12, 2009 3:51 AM
81	please dont close camp jessie mae!!!	Dec 12, 2009 5:44 AM
82	I really liked Ledgewood, Timberlane, and Sugarbush. All of the counsellors were friendly and welcoming in all of them. I would like to attend a camp that is only three days so that my friend can go with me. I did not enjoy learning about finacial literacy. I found it boring. When I learned about finacial literacy with my troop, it was more intersting and fun. We actually got to buy things, plan what we bought and put it to good use. We got to talk with each other and come to an agreement on what to purchase. I would also have a wider variety of food for vegetarians. I would like to have the oppertunity to be responsible for making wise food choices. I enjoyed all of the camps over all and I plan to go back next year! I also enjoyed the heated pools. If it was too hot, then the heat would not be on. I found bugs such as beetles in the pool. I had a great time. I love Girl Scouts! GO GIRL SCOUTS OF NORTHEAST OHIO!!!!	Dec 12, 2009 4:15 PM
83	get something closer to home (canfield ohio mahoning county)	Dec 12, 2009 4:27 PM
84	I would like there to be a phone in all the cabins. I would also like to have TV's in the cabins to check weather and for entertainment. I would like there to be a weather radio's in the cabins that are battery operated, or ones that can be charged by winding up with a crank.	Dec 13, 2009 3:07 PM
85	I like that we have a survey to take. It's nice to put our input about what we like and what we want to do.	Dec 15, 2009 5:25 PM
86	DON"T CLOSE HILAKA!!!!!!!!!! Also it would be good to add showers at Hilaka because than people could stay for longer, like they can at other camps. Maybe you could add a program that is like pond study, insects study, bird study, and things like that. Trees, animals, plants, things in nature. You could even teach how to make some things into like remedies, or how to treat a snake bite in the woods!!! They could learn what is edible and what isnot, what gets used for things that you would never think of. Some people know what they want to be when they grow up. You could have a program where they can come to camp, learn about that career, try it out, and maybe meet someone who does that!! I think that this would be really cool. I know that you have a music program but I don't know if that means writing it, so just in case, you could have a program that teaches people how to write music, sing it, and come up with lyrics. You should have a creative writing program, because a lot of people that i know really like to write and are quite good at it. This would be a good program overall, but would be even better to go into the woods and let nature inspire the writing.	Dec 17, 2009 10:58 PM
87	You need to make a shorter survey	Dec 21, 2009 6:27 PM
88	More activies for Seniors and Ambassadors - not with Juniors and Cadettes. Orienteering, backpacking, NASA, and not suddenly drop groups like the previous NASA group, Studio 2B, etc. Rockclimbing or Kendall Cliffs, limit to 10 -20 girls and divide age groups. No younger girls with the high school girls. Stop loosing paperwork at council	Dec 21, 2009 6:46 PM

90	I LOVE CAMP	Dec 21, 2009 7:19 PM
91	The camps are nice and should stay open. we enjoy them. I love the bouncy floor at crowell hilaka, horse camp we are able to do at WLD ranch in PA so I am not concerned that the horses are gone. It is less expensive to go to WLD ranch. I camp at camp whitewood 4h camp with 4h and that is fun to. It is hard to camp much farther than 1-1.5 hours away because of volunteers driving. I am fortunate to have a leader that knows how to camp and can give us new experiences at camp, many are not as fortunate.	Dec 26, 2009 8:34 PM
92	This was my daughters first year at day camp (as a Daisy) and I was more than a bit nervous. If she would have shown the least sign of being uncomfortable on the first day in any way we would have ended the experience. On the contrary she loved it!!!!!! She could not wait to go back and is so looking forward to the next year!!!! She brought home neat projects and had all kinds of "adventures" to tell about every day. The adults at the camp (Lejnar) were very understanding and helpful. I really felt as though my daughter was being well taken care of. It was a very positive experience. When I was a bit older than my daughter I attended day camp for girl scouts at Wintergreen in Strongsville. I am so happy to be able to have my own daughter carry on the tradition. Who would have thought? I hope this is not a camp they will be closing because we are both looking forward to many more fun years there.	Dec 28, 2009 4:07 PM
